The exam should be scheduled well in advance of the application deadline. When an application date is scheduled on an application deadline, it **will** meet the deadline requirement. The exam is a basic skill level exam measuring math and reading comprehension from science textbooks. Since the exam carries considerable weight in selection of students, preparation for success in the exam is recommended.

This test may only be taken twice. A sixty-day waiting period is required prior to retaking the exam after the first try.

There is a study guide available that will assist in the prepararion for this exam at a fee of \$28.50.

The exam is given by Assessment Technologies Institute at the BHS School of Health Professions located at 8400 Datapoint Drive in San Antonio, Texas. When the registration form and payment are received by Assessment Technologies Institute, you will be assigned of the of the testing dates from the choices you have marked above. A confirmation letter or call will follow, giving test date, time and directions. If the testing date is inconvenient or full, you will be rescheduled to a new testing assignment.

The registration and **Study Guide** fee for the test is **NON-REFUNDABLE**.
