- (2) making or filing a false report or record made in the person's capacity as a medical radiologic technologist;
- (3) intentionally or negligently failing to file a report or record required by law;
- (4) intentionally obstructing or inducing another to intentionally obstruct the filing of a report or record required by law;
- (5) engaging in unprofessional conduct, including the violation of the standards of practice of radiologic technology established by the advisory board;
- (6) developing an incapacity that prevents the practice of radiologic technology with reasonable skill, competence, and safety to the public as the result of:
  - (A) an illness;
  - (B) drug or alcohol dependency; or
  - (C) another physical or mental condition or illness;
- (7) failing to report to the advisory board the violation of this chapter by another person;
- (8) employing, for the purpose of applying ionizing radiation to a person, a person who is not certified under or in compliance with this chapter;
- (9) violating this chapter, a rule adopted under this chapter, an order of the advisory board previously entered in a disciplinary proceeding, or an order to comply with a subpoena issued by the advisory board;

(10) having a certificate revoked, suspended, or otherwise subjected to adverse action or being denied a certificate by another certification authority in another state, territory, or country; or

(11) being convicted of or pleading nolo contendere to a crime directly related to the practice of radiologic technology.

Acts 1999, 76th Leg., ch. 388, Sec. 1, eff. Sept. 1, 1999.
