* Definition of Burglary:
 An incident must meet three conditions to be classified as a burglary: (1) There must be evidence of unlawful entry (trespass). This means that the person did not have the right to be in the structure at the time the incident occurred. (2) The unlawful entry must occur within a structure, which is defined as having four walls, a roof, and a door. (3) The structure was unlawfully entered to commit a felony or a theft.
